

楊永明的履歷

Philip Yang (楊永明), is currently the president of Association of International Relations, the premier organization for promoting research, education, and policy-discussion in the field of international relations. He is also an advisor of the Cross-Strait CEO Summit, and an adjunct professor at the Department of Political Science of the National Taiwan University. He was former deputy secretary-general of the National Security Council and former Minister of Governmental Information Office, a cabinet member of the Executive Yuan. Prof. Yang is the founder of the Taiwan Security Research (TSR) website, www.taiwansecurity.org, which received a favorable review by the Foreign Affairs (July/Aug 2000). Prof. Yang is also the recipient of the renowned Nakasone Award in 2008 for his achievement in academic research. Prof. Yang publishes extensively in English, Japanese and Chinese, including *History of Japan-Taiwan Relations* (University of Tokyo, 2008) and *International Security and International Law* (Taipei: Yuan Choa, 2003). Prof. Yang received his Ph.D. from the University of Virginia, U.S.
